

Day Opportunities

Adult Engagement Event

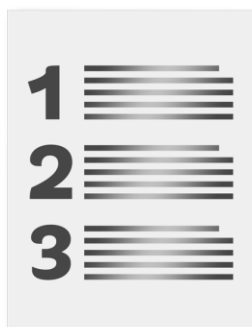

Essex County Council would like to talk to **Adults with Learning Disabilities and or Autism** who use **Day Opportunities** or may use them in the future.

Day Opportunities are often a place such as a building where people go and do something during the day.

Sometimes this is also called a day centre or day services.

We would like to talk to you about a few things:

- Our ambitions for Day Opportunities
- Share our thoughts and plans on the future of Day Opportunities
- To ask you to share how Day Opportunities are working for you

We will listen to your views and ideas and use the things you tell us to make services better for people who use them.

We will be hosting four in person events throughout Essex as well as an online session.

Online (Zoom):

Monday 14th October:
